

Signature Furniture

Wood Studio is a family owned and operated business that opened their doors in 1986 in Decatur, AL and are now (father sons partnership) located in Fort Payne, AL and Arley, AL serving the Southeast United States and shipping worldwide.

Randy, Keith and Dylan Cochran are Wood Studio and combined they have more than 50 years experience as woodworkers, designing and creating fine, hand-built wooden furniture. With combined backgrounds in Industrial Design, furniture design and construction, wood and composite boat building, and art, they bring a unique balance of technical and creative skills to any project.

Wood Studio provides custom design and fabrication services for all custom furniture and furnishings. We design, manufacture, install and warranty every piece that we offer. We specialize in small to medium scale residential, and commercial projects that require personal attention. We collaborate with architects, interior designers, contractors or directly with the homeowners to create, fine, custom furniture and furnishings. Wood Studio also offers distinct, limited production pieces our original Signature Selections.

Custom Furniture

Wood Studio's primary focus is designing and creating fine, hand-built wooden furniture and furnishings. It is not simply our job, it is our family's craft that we strive to perfect everyday for ourselves and our clients.

Wood Studio welcomes the opportunity to explore your functional needs while designing and creating beautiful, distinct furnishings for your individual environment. If you have any questions regarding any piece seen here, or would like a free consultation contact Randy, Keith or Dylan at Wood Studio.
