

Tape measure and pencil not included.

and never wonder where your tape measure and pencil are again!

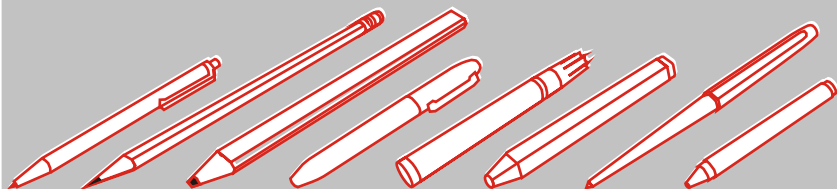

The **Cabinetmaker's Sidekick** was designed to carry a tape measure and writing utensil on your belt. Never waste another minute looking for your tape measure and pencil.

*I designed and built the first Cabinetmaker's Sidekick because I had a need for such a device. After using it in the "real world" for several years, and sharing them with my friends and family, I decided to share them with all. I am sure you will find this little device will become one of your most valued tools. **So from our shop to yours.** I hope you enjoy and your Sidekick serves you well.*

"Where's my tape measure and pencil?"

Cabinetmaker's Sidekick will accommodate any of these writing utensils.

-Each Cabinetmaker's Sidekick is sewn together by American craftsmen, using traditional, time-proven techniques. Then each one is hand-assembled with care.

-They are available with the pencil holder on the right or left of the tape measure.

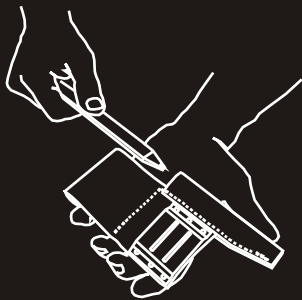

-If you saturate the leather with water, insert your desired writing utensil, and allow to dry your Sidekick will accommodate almost any writing utensil.

-The stainless steel clip will securely hold most tape measures.

-You can anchor your Sidekick on a belt loop by using the slot on the back.

-The Cabinetmaker's Sidekick is perfect for anyone who takes measurements and notes.

-Each Cabinetmaker's Sidekick is guaranteed to be free of defects. If you have a problem within 30 days of purchase, you may return it for a full refund or replacement.
